

A close-up photograph of a Christmas dinner table setting. In the center, a lit candle in a wooden holder casts a warm glow. To the right, two wine glasses are visible. In the foreground, a white napkin is folded and placed on a silver plate, with a sprig of greenery tucked into it. The background shows more of the table setting, including a fork and a knife. The overall atmosphere is warm and festive.

# Jantar de Natal

2023

*Pateo dos Solares, Estremoz*
